TO OUR CUSTOMERS:

Due to our greatly increased wholesale business we are not issuing a retail catalog this year. We are, however, sending out this bargain list for the convenience of our many retail customers. The extremely low prices we are offering in this list are made possible by the great saving in the cost of printing.

FREE ROOTS: You may select roots to the amount of 25c for each \$1.00 of your order. Please give second choice in case stock of certain varieties is sold out. This free offer does not apply to collections. In consideration of these low prices no order can be accepted for less than \$1.00.
